

# INSTRUCTIONS TO CONTRIBUTIONS

The Mizunami Fossil Museum has published **the Bulletin of the Mizunami Fossil Museum (BMFM)** since 1974. It contains papers of broad interest dealing with any aspect of geology and paleontology.

**Submission:** One complete copy of the typescript in English should be submitted to the Editor (Dr. H. Karasawa, Mizunami Fossil Museum, Yamanouchi, Gifu, 509-6132, Japan) or manuscript including main text and figures should be submitted to the Editor (e-mail: [GHA06103@nifty.com](mailto:GHA06103@nifty.com) or [bmfmmuseum1974@gmail.com](mailto:bmfmmuseum1974@gmail.com)) electronically. All pages should be numbered consecutively.

**Typing:** The manuscript should be typed on A4 paper, double spaced, on one side of the paper only and with adequate margins. Text should be written by the Microsoft Word (Times New Roman or Century). Specific names should be used italic types. All foreign accents and unusual characters should be marked in colored pen on the typescript.

**Plates, Figures and Tables:** The Maximum publication size for Plates, Figures and Tables is 170 × 225 mm. The plates and figures should be supplied in psd-, jpg- or tiff-format, and electronically submitted halftones and photographs must be provided at a **minimum resolution of 300 dpi**. They should be mounted on clean white board with the Author's name and Plate, Figure or Table number clearly marked near the right top margin. Explanation of Plates, Figures and Tables should be added on the end of the typescript.

**References:** All references included in the text should be listed alphabetically by authors at the end of the paper. Journal names are able to be abbreviated.

<Example>

- Bell, T. 1858. A monograph of the fossil malacostracous Crustacea of Great Britain. Part I, Crustacea of the London Clay: 44p., 11 pls. Palaeontological Society, London.
- Gould, A. A. 1861. Description of new shells collected by the North Pacific Exploring Expedition. Proc. Boston Soc. Nat. Hist. 8: 14–40.

Schweitzer, C. E., and R. M. Feldmann, 2010. A new family of Mesozoic Brachyura (Glaessneropsoidea) and reevaluation of *Distefania* Checchia-Rispoli, 1917 (Homolodromioidea: Goniidromitidae). Neues Jahrbuch für Geologie und Paläontologie 256(3): 363–380.

Schweitzer, C. E., R. M. Feldmann, and H. Karasawa. 2012. Part R, Revised, Volume 1, Chapter 8M: Systematic descriptions: Infraorder Brachyura, Section Dromiacea. Treatise Online 51: 1–43. Available online Oct. 7, 2012.

Tsuchi, R. 1990. Accelerated evolutionary events in Japanese endemic Mollusca during the latest Pliocene. In: Tsuchi, R. (ed.), Pacific Neogene Events: 85–100, Shizuoka.

**Taxonomy:** Systematics within a manuscript should conform with the recommendations of the ICZN or ICBN.

Annotated synonym lists are as follows:

(short)

1893 *Cancer japonicus* Ortmann, p. 427, pl. 17, fig. 5.

1975 *Cancer japonicus* Ortmann; Nations, p. 44, figs. 4, 41-3, 4.

(long)

*Crutonotus antiquus* Ristori, 1889, p. 4.

*Carcinoplax antiqua* (Ristori); Glaessner, 1933, p. 17, pl. 4, fig. 3; Imaizumi, 1961, p. 164, pls. 12–17; Karasawa, 1990, p. 23, pl. 7, figs. 1–8.

**Review:** Manuscripts will be reviewed in any case by external reviewers and editors.

**Proofs:** Proofs will be sent to authors who are expected to read them carefully, correcting any errors and return them promptly.

**Reprints:** Fifty reprints of a paper and PDF file are provided to the authors free of charge. Further copies may be ordered at cost from the publisher at the proof stage. Beginning in 2001, Bulletin of the Mizunami Fossil Museum is available online through the website of Mizunami Fossil Museum.

**Copyright:** It is our policy to ask all contributions to transfer to the Mizunami Fossil Museum the copyright in their papers.
