*Key words:* Crustacea, Decapoda, Brachyura, Leucosiidae, *Philyra*, homonym

*Philyra granulosa* Morris and Collins, 1991, is preoccupied by *Philyra scabriuscula* var. *granulosa* Ihle, 1918. Therefore, the name is here changed to *Philyra collinsi*, named for J. S. H. Collins.

Oxystomata: Calappidae, Leucosiidae, Raninidae. *Siboga Expeditie Monogr.*, 39(b2), 159–322.

Morris, S. F. and J. S. H. Collins (1991), Neogene crabs from Brunei, Sabah and Sarawak. *Bull. Br. Mus. Nat. Hist. (Geol.)*, 47, 1–33.
