MIZUNAMI

Let's get together to learn Japanese!

The number of foreign nationals living in Mizunami city has increased over the years, rising to a current population of around 1,300 foreign citizens. In our Japanese language class, foreign and Japanese participants living in the same community study "easy Japanese" useful for daily life as well as how to communicate cross-culturally.

Who Can Join?

Foreign nationals who want to learn Japanese language
(16 years of age or older, with beginner-level Japanese language proficiency)

Our Goals

- Increase your Japanese vocabulary
- Find out the meaning of phrases you don't understand in everyday life
- Use the phrases you learned in your daily life
